Cllr. Palmer explained that he had visited the site and could confirm that there would not be a new access on to the B1113 created. The proposed dwelling would use the existing access and should create very little extra traffic. Councillors agreed that, because of the layout of the site, the proposal would not be seen except from the Bramford direction and would not affect local residents.

Councillors agreed that they had no objection to this proposal.

The Chairman closed the Meeting at 7.39 pm with thanks to those attending.
